

Design with Purpose.

Oskat Interiors bring an elegant and functional sense of design to a range of commercial and residential spaces in Chennai. We offer comprehensive contracting and fit-out services and see our clients as partners, collaborating with them to achieve their vision of their perfect home, office, industrial or corporate space. Our team consists of experienced interior designers, interior decorators, architects and civil engineers who bring creativity and expertise to every project. From the nitty-gritty of electricity circuits to the special touches of customised furniture – we cover every aspect, both aesthetic and practical – of making a space come to life.

In addition to private residences, our corporate and industrial clients have included: AXIS BANK LTD, IDFC FIRST Bank, The Muthoot Group, India Infoline, GreenPark Hotels, keys SELECT BY LEMONTREE HOTEL KATTI-MA, Popular Vehicles & Services Ltd, T V Sundram Iyengar & Sons private Limited, MRF Vapocure Paints, katti-ma GROUP and pon pure chem (p) ltd.

Our work in the IT sector is based on the principle of efficiency. The space itself is carefully utilised so as to create a pleasant but highly organised environment.

IT Sector

We understand that appearances are of utmost importance in the hospitality industry. Our focus here is aesthetic effects that enhance the experiences of travellers.
